## WALK FOR HOPE LOS ANGELES

Sunday, November 8, 2015

Dear Josh,

Thank you again for joining us on the Walk for Hope! Your fundraising efforts will help us continue to lead the fight against cancers unique to women.

**As a cancer survivor, you understand firsthand the importance of Walk for Hope's mission to fund research for new and innovative cancer treatments.** That's where sharing your personal journey comes in—you've got a powerful story to tell. It's a story of strength, courage, inspiration—and triumph!

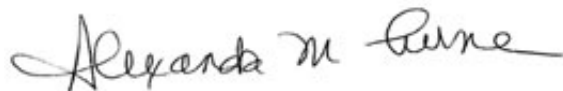

Tell your friends and family (and colleagues and friends of friends!) why participating in Walk for Hope is so important to you. And ask them to join you in the fight against

women's cancers by making a donation.

So, spread the word—login to your Participant Center and send emails, and/or post to Facebook to share your story. (And don't forget to include a photo of yourself, so everyone knows just who they're helping cross the finish line!)

**LOGIN & SEND EMAILS**

By coming together, we have the power to build a world without women's cancers.

Alexandra M. Levine MD, MACP  
Chief Medical Officer  
Melinda and Norman Payson Professor of Medicine  
Professor of Hematology/Transplantation
